CLARIFICATION OF DUE JUDICIAL PROCESS

The injustices within which I have battled seems to have run into a brick wall of silence. If the Supreme Court will not acknowledge receipt of my submissions, that very fact needs to be appealed to the Judicial Committee of the Privy Council - refer to:

The State's due process within the structure of the Justice System must be continuous or criminals will step in to persecute as has happened below today.

A transcript of a video update is a written version of everything said in the video. It helps viewers read along, understand the message better, and makes the content accessible for people with hearing difficulties. Transcripts are also useful for search engines and easier content sharing.

Many people use tools like youtube to mp3 and mp3 youtube to download the audio from video updates. This lets them listen offline later, especially when they don't have time to watch the full video.

CONSENT GIVEN BUT NO JOBS ON DISPLAY

Dear BP

I was very pleased to receive your email a few weeks ago to ask me if I would give consent to have my details retained in your website facility and immediately logged into your website to say that 'Yes' so I gave consent hoping that I would find some local jobs to apply for on a part-time basis.

No jobs were on display and I have not received a notification that you are still considering me for employment.

In order that I do not waste my time fruitlessly chasing wild dreams of ever being in gainful employment in the petrol stations which I loved, please let me know if there are any reasons why BP would not consider me for employment on a 16-24 hour per week contract at BP Lenham, or in and around Medway and Maidstone.

I will then prepare a fresh CV and replace the original one in your website as it is outdated.

Yours sincerely

Dear Mr Panigrahi

Thank you for your email.

As you were dismissed during your probationary period which followed a fair process and hearing, you do not have the right to appeal the decision to terminate your employment.

With regards to applying for other roles within bp, if ex-employees wish to re-join the company, their previous employment record will be assessed to make an informed decision on their suitability for re-engagement into a new role.

You are able to apply for any role at bp through the appropriate bp retail jobs channels, which are available to you online.

Based on the information that you have provided us, we trust that you are liaising with civil channels as appropriate.

Dear Sirs

I have a bone to pick with you; actually two bones before I consider redeeming these Reward points:

The first concerns the highly dubious circumstances under which my employment at the Lenham (Kent) petrol station was terminated without a disciplinary hearing to hear my side of the concerns on my conduct at the branch and this was followed by a host of intimidating emails that BP sent me concerning future job opportunities such that I am still not received any information about my employment at BP.

The second concerns the highly damaging defamatory nature of the reports that BP submitted to Kent Police to notify the Constabulary that I had sent an email to BP threatening to burn down the petrol station which was a criminal act by BP for I had never sent out any malicious communications of this nature to the Company.

I would be grateful if BP would now apologise and pay me some kind of compensation in addition to restoring my job at BP Lenham. Legal action undertaken at Medway County Court/Central London County Court as linked here is pending: consideration:

Hello

We are a quasi-political group of individuals of which I am the Founder and Leader who has examined the Constitution of the United Kingdom in the finest detail and found it to be governed by a Constitutional Monarchy that is tyrannical and dictatorial. We wish to implement a transition phase known to be Cultural Republicanism through the identified political structures democratically only for which the details can be read here:

I am a confirmed Republican and campaign for United Kingdom to have this form of Cultural Republicanism; if you agree with the changes that we need as citizens of the nation who wish for truth, justice and democracy as the ethos and principles that we should abide by it is recommended that Members who know me as Friends and Connections as well as those posting and visiting the websites of The Conservative Libertarian Society (TCLS) also become its official members by following the directions below:

We can process a refund for the fee immediately. Otherwise, we will wait until 24 July to process a refund.

You can make another payment after that with any new submission, so there is no urgency on this matter.

Thank you for clarifying the process, even though the Commission did have my paid application for one hour before Rupa Panigrahi sent you her email pulling out of the application. Is there any urgency in trying to find the second official within the usage of the £150 payment that I have made?

Dear Shantanu and Rupa,

Rupa, you will need to follow the below steps to authorise the application:

An email has been sent to you to create login details. This may appear in your junk mail.

Please follow the link in the email. You will be asked to create login details and confirm your details and association with the party.

You will then be able to navigate to the 'Declarations' page. At the bottom of this page, please select the option 'Authorise online'.

If you have any questions about this, please contact us directly.

Shantanu, once Rupa has completed this, you will be able to make payment and submission:

Navigate to the 'submit page'. Select options to pay by card.

Select 'Submit application' at the bottom of the page.

You will be redirected to a WorldPay transaction page where you will be able to make the payment.

Before you finalise your application, I would strongly advise you review our guidance on:

Requirements for party names

What a constitution must include

What a financial scheme must include

If you want to make further amendments, you will need to 'reset authorisations' under the 'Declarations' page.

Once your application is finalised and submitted, we will assess your application. We aim to provide a decision to approve or reject within seven weeks from the application being complete.

Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

Dear Josh Dunne

Thank you for this instruction which I assume does not apply to the players within the Application to register a Political Party, concerning the registration of TCLP-UK, and I confirm that I have received as attached correspondence, although I am once again searching for the names of Officials to incorporate into the Form FrElectoralCommissionCampaigns Official.docx; FrPartyRegElectoralCommissioner)18Jun2025. on account of the fact that

monika.uzkalnyte@spuc.oorg.uk has it would appear given me in incorrect email address of hers or has pulled out of officiating for the Party (?). I think it is bad if this has occurred, and I would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

Yours sincerely

PRESS RELEASE: NEW INTRODUCTIONS:

13 May 2025, 20.42 pm (UK-Time)

Following the closure of civil and criminal proceedings as summarised here

https://archive.org/details/trapped-in-their-lies-digital_20250515 the Conservative Libertarian Publications Limited can now proceed forwards towards recruitment of Members within the United Kingdom and globally and take part in the democratic process within the United Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

whereas our Structure and Issues encountered are at

<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society. If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented <https://www.theconservativelibertariansociety.com/about-1> (About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN

COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice

and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

Yours sincerely

Dear Shantanu Panigrahi,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

If you require further advice about finalising and submitting this application please contact me.

Dear PAPAC

Forum | The Conservative Libertarian Society

All aspects of environmental developments that require assessment under the scope for the Society's interactions...

I am not at clear why my emails and other communications to PEFOnline Party Registration keeps getting returned undeliverable as attached: FrPostmasterElectoralCommission(ARE YOU REJECTING MY EMAILS)4May2025.docx. I have already referred this matter to Kent Police for investigation and it has not been acknowledged by the Constabulary. The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next byelection in my local Constituency of Gillingham and Rainham

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here:

Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.

Complainant privacy notice

This privacy notice summarises what to expect us to do with your personal information when you

contact us or bring a complaint to our service. A more detailed version of this privacy notice is available on our website.

About us

The Financial Ombudsman Service is a free and easy-to-use service that settles complaints between complainants and businesses that provide financial services. You can contact us here. We use your personal information to investigate and resolve individual complaints and prevent unfairness. We also analyse complaints data to make our services and processes more effective for you and others. More detail is set out in the ‘Why we process your personal information’ section.

The personal information we use

Personal information means information that is about an individual or can identify them in some way. The amount and type of personal information we process varies depending on the individual

circumstances of the complaint and why we are processing personal information. Examples of the

type of information we process are your name, date of birth, financial details, phone recordings and

special category data, such as health information.

How we collect personal data

We have a range of channels that individuals can use to get in contact with us. Generally, we receive personal information from the individual directly, their representative or from the financial

business the complaint is against. But sometimes, where it is necessary for resolving a complaint

or fulfilling our legal functions, we may also gather information from other individuals or organisations, such as a loss adjuster hired by an insurance company, a medical expert or a credit

reference agency.

Why we process personal information

We primarily collect and process personal information to investigate and resolve individual complaints brought to our service and respond to enquiries and redirect individuals to the correct

organisation if necessary. In addition to this we also process personal data in the following way:

- Prevent complaints and unfairness
- Improve the effectiveness of our service and processes
- Meeting your needs and making adjustments
- Work with the regulator and other bodies
- Dealing with contact you may make with us through social media
- Complying with a legal duty.

We have a legal obligation to publish final decisions made by our ombudsmen. These are

published on our website. We remove the name of the person making the complaint as well as any

other personal information that would be likely to identify them.

We conduct regular surveys to understand your views on the service we have provided to you.

You

can let your Investigator know at any time if you do not want us to contact you for our surveys.

Who we share personal information with?

We will not share your information with anyone for the purpose of direct marketing. We will not sell

your data.

When an enquiry is brought to us, we need to contact the financial business and make them aware

that an enquiry has been received and ask them what has happened so far. The personal details of

Financial Ombudsman Service – Complaint form 8

the complainant, any representative and details of the complaint are shared during this initial process.

In order to investigate a complaint, we need to share information with both parties of the complaint

to get both sides of the story. Sometimes, depending on the nature of the complaint, we may also

need to share relevant information with other individuals or organisations, for example: another financial business, medical experts or credit reference agencies.

If you have a complaint about the standard of service we've provided to you, and we've not been able to resolve this, you can ask the Independent Assessor to investigate this complaint. We will pass on relevant details to the Independent Assessor so that they can investigate and respond to

your service complaint.

Lawful bases for processing personal information

The law on data protection sets out a number of different reasons for which an organisation may collect and process your personal information.

Our lawful basis for processing personal information will usually be because it's necessary for our

statutory function, a reason of substantial public interest or compliance with our legal obligations.

On those occasions where we are not relying on any of the above, we will ensure that a suitable alternative lawful basis is used, which is likely to be where the processing is in our legitimate interests.

Where your data is processed and stored

We store your personal information in the UK or the European Union (EU). Our technical support teams in India may process your information to provide technical advice and assistance.

Where we allow access to your information from countries outside the UK, we ensure that we comply with all our data protection obligations.

How we store personal information and for how long

We know that data security is important to us all. When we receive personal information, we take

steps to ensure that it is stored securely, both physically and electronically, in accordance with the

internal policies that we have in place for the effective and secure processing of your personal information. We will keep your case file for 6 years after your case closes (or 3 years if we did not go on to fully investigate your case or if we transferred your case to another organisation). Paper

documents sent by post are destroyed 6 months after the date they are scanned into our system.

More information is in Annex A here.

What are your rights over your personal information?

Under data protection law, you have rights we need to make you aware of. The rights available to you depend on our reason for processing your information. Details of each of these rights are set

out in Annex B here.

What to do if you're unhappy with how we've handled your personal information

If you have any questions about this notice or are concerned about how we are processing your personal data, you can contact our Data Protection Officer at: data.protection@financial-ombudsman.org.uk. Details of how to raise a complaint are available here.

We hope we'll be able to resolve your concerns, but if you still remain unhappy with our response,

you can contact the Information Commissioner's Office at casework@ico.org.uk or 01625 545 745.

Changes to this privacy notice

We may change this privacy policy. In that case, the 'last updated' date at the bottom of this page

will also change. Any changes to this privacy policy will apply to you and your data immediately.

I waited all afternoon to see if I would receive an email from Medway County Court in consideration of my specific particulars against Kent Police under Claim J00ME572:
(af) Monarch's veto to prevent any progress in the recruitment of Members for The Conservative Libertarian Party of the United Kingdom (TCLP-UK) thereby preventing its registration with the Electoral Commission and engaging in its Global Developmental mission that has considerable importance for the author's career as an Environmental Sustainability Specialist; (£200 million);

(aj) protecting Gurpal Singh Tiwana, Daneswari Kundeti, and three RaviKumars who had agreed to act as officials of the TCLP-UK in the Registration of the Party with the Electoral Commission in conspiracy with the Commission (£1,000,000).

but none came. I got the feeling that the Court officials do not wish to deal with me directly but through my barrister Forz Khan since I received the attached correspondence from the Legal Ombudsman instead. FrLegal Ombudsman File Reference(ForzKhan)10Jul2025.docx

Dear Mr Panigrahi,

Your complaint about Mr Forz Khan

Thank you for contacting the Legal Ombudsman.

As per your emails, you informed us that you have complained to your service provider. Please send us a copy of your formal complaint or your correspondence which shows the first time you raised an expression of dissatisfaction to your legal service provider. If this was sent by email, this should show the full date and time as well as the full email address you sent it to your service provider. If this was sent by post, please provide a full copy of the letter. Please also send us any automatic response emails, correspondences sent between yourself and the service provider concerning your complaint. We need to see the service provider acknowledged or is aware of your complaint.

In the meantime, please complete our online complaint checker. You will need to provide personal information and documents, which include evidence of your initial complaint to your legal service provider and their response. Do not delay as you have a maximum of six months after you receive their final response to bring your complaint to us.

When responding, please tell us your file reference which is shown at the top of this email. Do not send any original documents by post as we scan all our incoming mail to make computer copies and then destroy the originals. Please send any information requested to our email address: enquiries@legalombudsman.org.uk.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take up to 14 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We will provide updates every three months.

Yahoo/Inbox

Party Reg

From: partyreg@electoralcommission.org.uk

To: 'Shantanu Panigrahi'

Fri 11 Jul at 12:18

Dear Shantanu Panigrahi,

Submission of an application to register does not guarantee registration, nor is it a formality. The Political Parties, Elections and Referendums Act 2000 (PPERA) requires that an application must provide certain details and that the Commission must be satisfied that a number of statutory tests have been met. We will conduct an assessment against the legislation and come to a decision to approve or reject an application.

I can confirm that payment alone does not complete an application, nor make it compliant. Your application must include a second officer. Even were it the case that Rupa had initially agreed to be an officer of the party, she has since confirmed in writing to us that she does not wish to be part of your application and therefore the application is no longer compliant. There is no evidence that she ever agreed to be an officer of the party. You cannot prevent an officer from withdrawing themselves from the application at any time.

At this time, your application is not compliant with PERA. Where your application does not include a second officer, there are no grounds to proceed with an assessment. In my previous email, I said that we would refund your submission fee on 24 July. This is to give you a short period of time to provide details of a second officer. If you are able to provide an officer in that time, the fee you have already provided can be used for your application.

Yours sincerely,

Josh Dunne (he/him)

Electoral Commission

I waited all afternoon to see if I would receive an email from Medway County Court in consideration of my specific particulars against Kent Police under Claim J00ME572:

(af) Monarch's veto to prevent any progress in the recruitment of Members for The Conservative Libertarian Party of the United Kingdom (TCLP-UK) thereby preventing its registration with the Electoral Commission and engaging in its Global Developmental mission that has considerable importance for the author's career as an Environmental Sustainability Specialist; (£200 million);

(aj) protecting Guralp Singh Tiwana, Daneswari Kundeti, and three RaviKumars who had agreed to act as officials of the TCLP-UK in the Registration of the Party with the Electoral Commission in conspiracy with the Commission (£1,000,000). but none came

I got the feeling that the Court officials do not wish to deal with me directly but through my barrister Forz Khan since I received the attached correspondence from the Legal Ombudsman instead. FrLegal Ombudsman File Reference(ForzKhan)10Jul2025.docx

My contention is that the Electoral Commission should register TCLP-UK now because I had completed all the formalities at one point.

Please let me know your final decision before I consider handing the matter to Mr Forz Khan again.

Rupa, you will need to follow the below steps to authorise the application:

An email has been sent to you to create login details. This may appear in your junk mail.

Please follow the link in the email. You will be asked to create login details and confirm your details and association with the party.

You will then be able to navigate to the 'Declarations' page. At the bottom of this page, please select the option 'Authorise online'.

If you have any questions about this, please contact us directly.

Shantanu, once Rupa has completed this, you will be able to make payment and submission:

Navigate to the 'submit page'. Select options to pay by card.

Select 'Submit application' at the bottom of the page.

You will be redirected to a WorldPay transaction page where you will be able to make the payment.

Before you finalise your application, I would strongly advise you review our guidance on:

Requirements for party names

What a constitution must include

What a financial scheme must include

If you want to make further amendments, you will need to 'reset authorisations' under the 'Declarations' page.

Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

Dear Josh Dunne

Thank you for this instruction which I assume does not apply to the players within the Application to register a Political Party, concerning the registration of TCLP-UK, and I confirm that I have received as attached correspondence, although I am once again searching for the names of Officials to incorporate into the Form FrElectoralCommissionCampaigns Official.docx; FrPartyRegElectoralCommissioner)18Jun2025. on account of the fact that monika.uzkalnyte@spuc.oorg.uk has it would appear given me in incorrect email address of hers or has pulled out of officiating for the Party (?). I think it is bad if this has occurred, and I would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

13 May 2025, 20.42 pm (UK-Time)

Following the closure of civil and criminal proceedings as summarised here

https://archive.org/details/trapped-in-their-lies-digital_20250515 the Conservative Libertarian Publications Limited can now proceed forwards towards recruitment of Members within the United Kingdom and globally and take part in the democratic process within the United Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

whereas our Structure and Issues encountered are at

<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented

<https://www.theconservativelibertariansociety.com/about-1> (About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE. Docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

I am not at clear why my emails and other communications to PEFOnline Party Registration keeps getting returned undeliverable as attached: FrPostmasterElectoralCommission(ARE YOU REJECTING MY EMAILS)4May2025.docx. I have already referred this matter to Kent Police for investigation and it has not been acknowledged by the Constabulary. The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next byelection in my local Constituency of Gillingham and Rainham

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here:

Fri 11 Jul at 12:54

Dear Josh Dunne

Who has made the decision to give me a short period of time up to 24 July 2025 (point to me the official rule from the Electoral Commission's statutory guidelines) to find the second official for the TCLP-UK's registration as this is clearly a Travesty of Justice akin to how the rest of the British Justice System operates. Do you have any idea what obstacles my Party has had to overcome to get this matter to this point? There has to be a 6 month period given to me to assemble a functional team of party activists (perhaps even longer given the circumstances that I have already discussed with you) before the revision of the registration document that is in place can take place. I am prepared to go to Court to have this granted to me.

Do you agree to this or not? - I need the answer now.

Dear Tide

I am pleased to have received this email from you on this Saturday afternoon after a write-up of my true feelings in relation to the injustices that I feel I have encountered in the United Kingdom over the past 27 years.

There were two options in terms of resolution, the first would have been for the State authorities to do something about the way Justice is discharged in this country instead of what I have experienced in that injustices are allowed to mount up and up due to apparently because the Crown frowns on those who seek justice by the simple principle that the exposure of truth is justice and the Judicial process needs to accommodate this fact. This frown of the Crown to the mere £55,000 severance payment that the University of Greenwich owes me (it had offered me £20,000 with a letter of reference when dismissing me from employment but I wanted reinstatement in my job instead because I did not see that I had done anything wrong and I spent 27 years of spirituality since to determine that God also did not see that I had been blameworthy of a disciplinary offence that would have caused the University to terminate my employment. Determined that I should do the right thing and then let nature take its course, I persevered with litigations of one kind or the other and private prosecutions only to face further victimisation and persecution that resulted such that at the final tally I am seeking £1.3 billion from the Treasury of the United Kingdom in the submission of the Particulars attached: Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi v Kent Police5July2025.pdf

If Tide Bank can negotiate with the State authorities, accordingly, please pursue this matter with full vigour on my behalf.

If the State authorities on the other hand are unwavering in its stance of not accommodating my requirement for material justice, as is perhaps indicated here:

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/are-we-seeing-the-total-collapse-of-the-civilisation-of-the-united-kingdom> it should consider enabling me to work towards changing the democratic system in a peaceful way to the cultural republicanism that I have suggested; the details of the processes that I have undertaken in this regard may be gleaned here:

PRESS RELEASE: NEW INTRODUCTIONS:

7 June 2025, 17.22 pm (UK-Time)

Following the closure of civil and criminal proceedings as Judicially Reviewed by the Duty Judge in the Administrative Court of the Royal Courts of Justice, I have received clearance from Hasan Chohan that the Conservative Libertarian Publications Limited can now proceed forwards towards recruitment of Members within the United Kingdom and globally and take part in the democratic process within the United Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

<https://app.joinit.com/o/conservative-libertarians/>

<https://knowledgefoundersunited.com/>

whereas our Structure and Issues encountered are at

<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an additional official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented

(<https://www.theconservativelibertariansociety.com/about-1> About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

This Site summarises the ethos and principles of open government promoted by the Society for ready application ...

Thank you Tide.

Yours sincerely

Dear Shantanu Panigrahi,

It is part of our process to give parties a short period of time to make amendments to an application. In this instance, where your application has not provided the minimum required details, we have offered to refund the fee if you are not able to provide the details of a second officer by 24 July, as a courtesy. Please note that if we proceed to assess your application and it is rejected, the fee is not refunded.

If we refund the fee, you are able to submit again at any time when you are able to provide the details of a second officer. Where that is the case, a 6-month extension is not require.

Your options are:

1 – We can conduct a formal assessment of your incomplete application. A rejection of your application will result in losing the £150. I have indicated to you that your application does not meet the requirements of the legislation on at least the basis discussed.

2 – We can refund your fee immediately and you can submit and pay again, once you are ready to submit a complete application.

3 – If you think you will be able to provide the details of a second officer shortly, we can hold off issuing a refund until 24 July.

Please confirm how you wish for us to proceed with your application.

Subject: Fw: FORMAL NOTIFICATION OF COMPLAINT TO THE LEGAL OMBUDSMAN

Dear Josh Dunne

Who has made the decision to give me a short period of time up to 24 July 2024 (point to me the official rule from the Electoral Commission's statutory guidelines) to find the second official for the TCLP-UK's registration as this is clearly a Travesty of Justice akin to how the rest of the British Justice System operates. Do you have any idea what obstacles my Party has had to overcome to get this matter to this point? There has to be a 6 month period given to me to assemble a functional team of party activists before (perhaps even longer given the circumstances that I have already discussed with you) before the revision of the registration document that is in place can take place. I am prepared to go to Court to have this granted to me.

Do you agree to this or not? - I need the answer now.

Yours sincerely

 Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu Panigrahi,
 Submission of an application to register does not guarantee registration, nor is it a formality. The Political Parties, Elections and Referendums Act 2000 (PPERA) requires that an application must provide certain details and that the Commission must be satisfied that a number of statutory tests have been met. We will conduct an assessment against the legislation and come to a decision to approve or reject an application.

I can confirm that payment alone does not complete an application, nor make it compliant. Your application must include a second officer. Even were it the case that Rupa had initially agreed to be an officer of the party, she has since confirmed in writing to us that she does not wish to be part of your application and therefore the application is no longer compliant. There is no evidence that she ever agreed to be an officer of the party. You cannot prevent an officer from withdrawing themselves from the application at any time.

At this time, your application is not compliant with PPERA. Where your application does not include a second officer, there are no grounds to proceed with an assessment. In my previous email, I said that we would refund your submission fee on 24 July. This is to give you a short period of time to provide details of a second officer. If you are able to provide an officer in that time, the fee you have already provided can be used for your application.

Yours sincerely,

Josh Dunne (he/him)

Electoral Commission

I waited all afternoon to see if I would receive an email from Medway County Court in consideration of my specific particulars against Kent Police under Claim J00ME572:

(af) Monarch's veto to prevent any progress in the recruitment of Members for The Conservative Libertarian Party of the United Kingdom (TCLP-UK) thereby preventing its registration with the Electoral Commission and engaging in its Global Developmental mission that has considerable importance for the author's career as an Environmental Sustainability Specialist; (£200 million);
 (aj) protecting Gurpal Singh Tiwana, Daneswari Kundeti, and three RaviKumars who had agreed to act as officials of the TCLP-UK in the Registration of the Party with the Electoral Commission in conspiracy with the Commission (£1,000,000). but none came

I got the feeling that the Court officials do not wish to deal with me directly but through my barrister Forz Khan since I received the attached correspondence from the Legal Ombudsman instead. FrLegal Ombudsman File Reference(ForzKhan)10Jul2025.docx

My contention is that the Electoral Commission should register TCLP-UK now because I had completed all the formalities at one point.

Please let me know your final decision before I consider handing the matter to Mr Forz Khan again.

We can process a refund for the fee immediately. Otherwise, we will wait until 24 July to process a refund.

You can make another payment after that with any new submission, so there is no urgency on this matter.

Rupa, you will need to follow the below steps to authorise the application:

An email has been sent to you to create login details. This may appear in your junk mail.

Please follow the link in the email. You will be asked to create login details and confirm your details and association with the party.

You will then be able to navigate to the 'Declarations' page. At the bottom of this page, please select the option 'Authorise online'.

If you have any questions about this, please contact us directly.

Shantanu, once Rupa has completed this, you will be able to make payment and submission:

Navigate to the 'submit page'. Select options to pay by card.

Select 'Submit application' at the bottom of the page.

You will be redirected to a WorldPay transaction page where you will be able to make the payment.

Before you finalise your application, I would strongly advise you review our guidance on:

Requirements for party names

What a constitution must include

What a financial scheme must include

If you want to make further amendments, you will need to 'reset authorisations' under the 'Declarations' page.

Once your application is finalised and submitted, we will assess your application. We aim to provide a decision to approve or reject within seven weeks from the application being complete.

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

I think it is bad if this has occurred, and I would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

Yours sincerely

Dear Shantanu,

There were minor issues with accessing our systems over the weekend of 7-8 June. These were resolved by 9 June.

Your application in our system remains incomplete and has not been submitted to us. You must finalise your details, have both officers authorise the application, and make the £150 payment.

**PRESS RELEASE: NEW INTRODUCTIONS:
 13 May 2025, 20.42 pm (UK-Time)**

Following the closure of civil and criminal proceedings as summarised here
https://archive.org/details/trapped-in-their-lies-digital_20250515 the Conservative Libertarian
 Publications Limited can now proceed forwards towards recruitment of Members within the
 United Kingdom and globally and take part in the democratic process within the United
 Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of
 society championed by the Conservative Libertarians. If you wish to find out more, please let me
 know. Our Membership websites are at:

<https://app.joinit.com/o/conservative-libertarians/>

whereas our Structure and Issues encountered are at
<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the
 objective bringing in the ethos of truth, justice and democracy into the world within nations and

across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society. If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented

<https://www.theconservativelibertariansociety.com/about-1> (About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course.

Yours sincerely

Dear Shantanu Panigrahi,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

If you require further advice about finalising and submitting this application please contact me.

Forum | The Conservative Libertarian Society

Dear PAPAC

Forum | The Conservative Libertarian Society

All aspects of environmental developments that require assessment under the scope for the Society's interactions...

I am not at clear why my emails and other communications to PEFOnline Party Registration keeps getting returned undeliverable as attached: FrPostmasterElectoralCommission(ARE YOU REJECTING MY EMAILS)4May2025.docx. I have already referred this matter to Kent Police for investigation and it has not been acknowledged by the Constabulary. The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next byelection in my local Constituency of Gillingham and Rainham

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here:

<https://www.theconservativelibertariansociety.com/post/kings-connect-communication>

Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.

Yours sincerely
